December 1, 2021

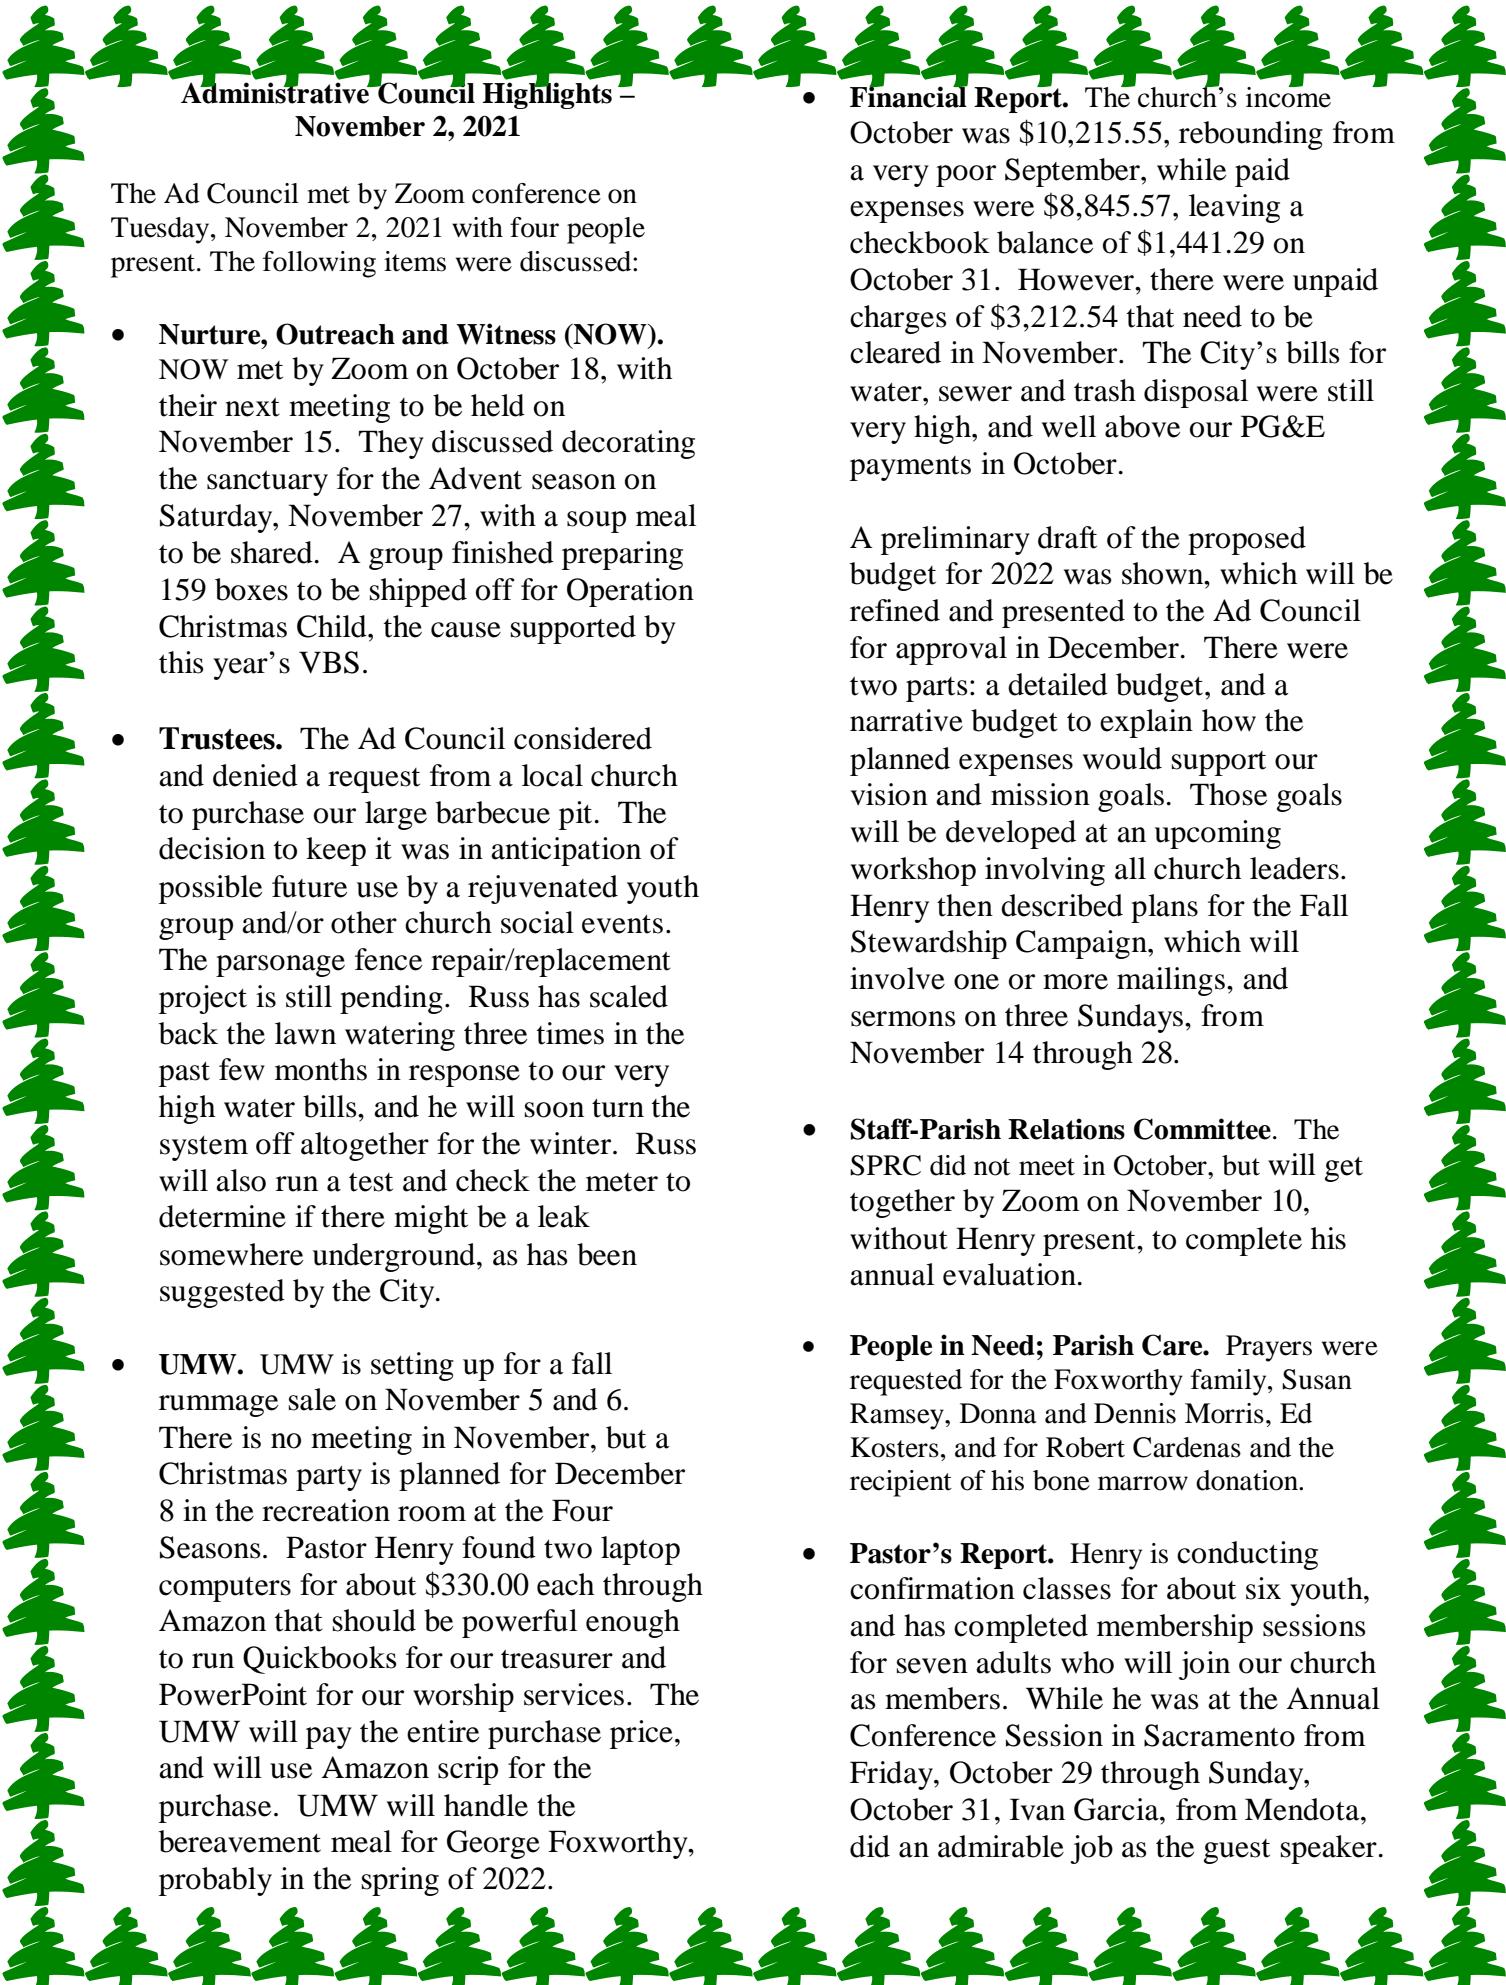

Dear Los Banos UMC Family,

It is hard to believe that November is finished, and Christmas is around the corner! Many of you may be already rushing into the Christmas season: setting up decorations, planning holiday gatherings, and purchasing presents for friends and family. In the midst of all this Christmas chaos, we forget that we are also in the season of Advent. It is a season of preparing, expecting, and waiting for Christ. It is a time to remember the story of Jesus' birth and look toward the second coming of Christ who will show us a new heaven and a new earth! As we prepare for Christ, I invite you all to slow down and savor all that has happened in 2021 - all the blessings that you have received and all the struggles that God has guided you through! Take a breath. Look around you. Plant your feet onto the ground. Embrace the presence of the Holy Spirit. Extend gratitude to Emmanuel, God with Us!

New things are emerging at Los Banos United Methodist Church, and I can't help but be thankful to all the leaders, volunteers, and the rest of the congregation for the support. From baptisms to welcoming new members and leaders, from church gatherings to new ministries there is an abundance of community happening in our church. On November 7th we started our Youth Confirmation Fellowship, happening on Sundays with a lesson/discussion from 2PM to 3PM. Then, from 3PM to 4PM the fireside room is open where youth can hang-out, play board games, or do homework. Furthermore, through Manna Ministries there has been an increase of people being served! During Thanksgiving, our church and other churches in the community were able to provide meals for various families and distributed numerous canned goods donated from the community. Finally, we concluded our Stewardship Campaign, discovering that Stewardship is rooted in cultivating our relationship with God and the rest of God's creation, while acknowledging that we already have enough to do the work that God calls on us to do!

There are also events to be excited about in December! During the worship service on December 19th, the children will be doing a Christmas play. Then, on Friday, December 24th we will be having our Christmas Eve Candle-Light Service at 7pm. Let us finish this year strong in love and strong in service. Let us move through this advent season intentionally, being the Stewards and Disciples that God calls on us to be, exemplified in the life of Jesus Christ. Once again, if you are in need of prayer or support - do not hesitate to reach out to the church during this season.

Much Peace, Pastor Henry

## Administrative Council Highlights – November 2, 2021

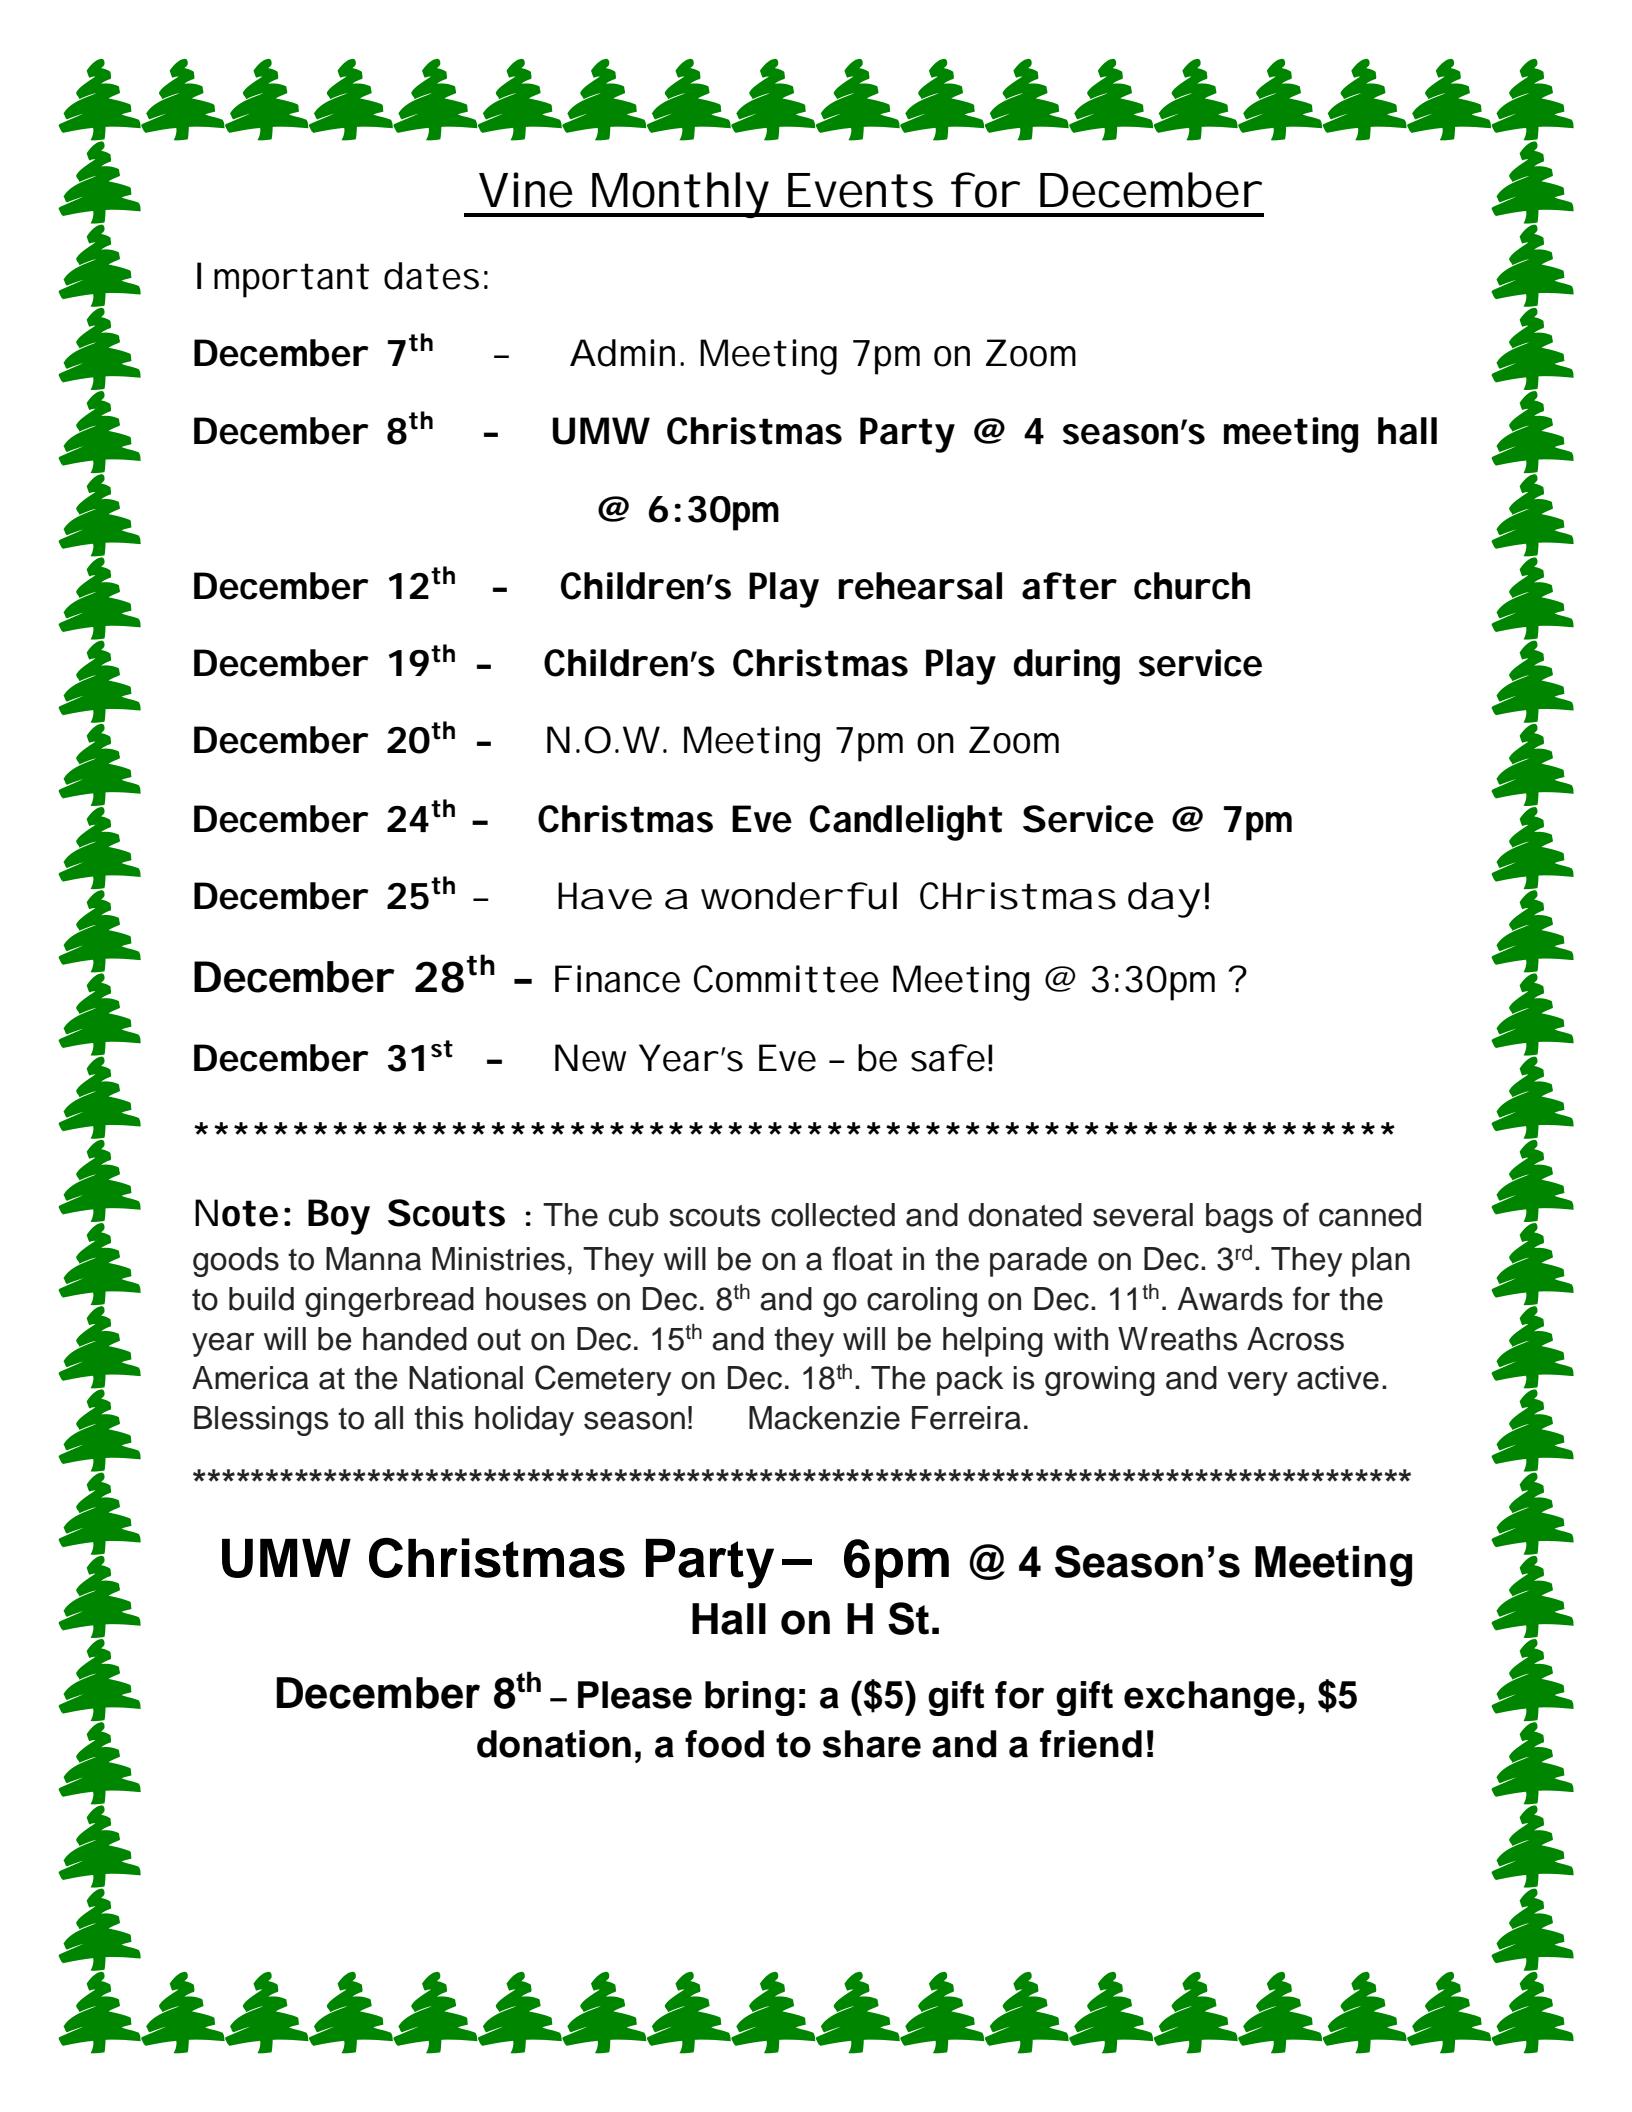

The Ad Council met by Zoom conference on Tuesday, November 2, 2021 with four people present. The following items were discussed:

- **Nurture, Outreach and Witness (NOW).** NOW met by Zoom on October 18, with their next meeting to be held on November 15. They discussed decorating the sanctuary for the Advent season on Saturday, November 27, with a soup meal to be shared. A group finished preparing 159 boxes to be shipped off for Operation Christmas Child, the cause supported by this year's VBS.
- **Trustees.** The Ad Council considered and denied a request from a local church to purchase our large barbecue pit. The decision to keep it was in anticipation of possible future use by a rejuvenated youth group and/or other church social events. The parsonage fence repair/replacement project is still pending. Russ has scaled back the lawn watering three times in the past few months in response to our very high water bills, and he will soon turn the system off altogether for the winter. Russ will also run a test and check the meter to determine if there might be a leak somewhere underground, as has been suggested by the City.
- **UMW.** UMW is setting up for a fall rummage sale on November 5 and 6. There is no meeting in November, but a Christmas party is planned for December 8 in the recreation room at the Four Seasons. Pastor Henry found two laptop computers for about \$330.00 each through Amazon that should be powerful enough to run Quickbooks for our treasurer and PowerPoint for our worship services. The UMW will pay the entire purchase price, and will use Amazon scrip for the purchase. UMW will handle the bereavement meal for George Foxworthy, probably in the spring of 2022.

- **Financial Report.** The church's income October was \$10,215.55, rebounding from a very poor September, while paid expenses were \$8,845.57, leaving a checkbook balance of \$1,441.29 on October 31. However, there were unpaid charges of \$3,212.54 that need to be cleared in November. The City's bills for water, sewer and trash disposal were still very high, and well above our PG&E payments in October.

A preliminary draft of the proposed budget for 2022 was shown, which will be refined and presented to the Ad Council for approval in December. There were two parts: a detailed budget, and a narrative budget to explain how the planned expenses would support our vision and mission goals. Those goals will be developed at an upcoming workshop involving all church leaders. Henry then described plans for the Fall Stewardship Campaign, which will involve one or more mailings, and sermons on three Sundays, from November 14 through 28.

- **Staff-Parish Relations Committee.** The SPRC did not meet in October, but will get together by Zoom on November 10, without Henry present, to complete his annual evaluation.
- **People in Need; Parish Care.** Prayers were requested for the Foxworthy family, Susan Ramsey, Donna and Dennis Morris, Ed Kosters, and for Robert Cardenas and the recipient of his bone marrow donation.
- **Pastor's Report.** Henry is conducting confirmation classes for about six youth, and has completed membership sessions for seven adults who will join our church as members. While he was at the Annual Conference Session in Sacramento from Friday, October 29 through Sunday, October 31, Ivan Garcia, from Mendota, did an admirable job as the guest speaker.
