### From the pastor

Christmas as a holiday was not observed until well after the biblical era. The early church of the New Testament celebrated Jesus' resurrection, but not His birth. In fact, Christmas was not given any kind of official recognition by the church until the mid-fifth century. Christians today are generally not opposed to celebrating Christmas. The holiday itself is nothing, and observing it is not a question of right or wrong. As Paul wrote, "One man regards one day above another, another regards every day alike. Each person must be fully convinced in his own mind. He who observes the day, observes it for the Lord, and he who eats, does so for the Lord, for he gives thanks to God; and he who eats not, for the Lord he does not eat, and gives thanks to God" (Romans 14:5-6). In fact everyday including Christmas is a celebration for us who know and love Him.

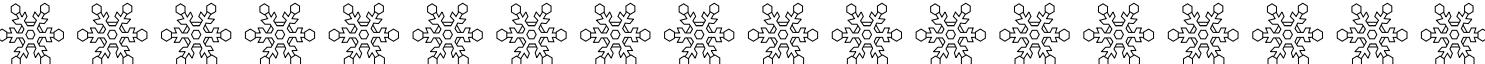

I think how we observe Christmas is the central issue. We observe it for the Lord's sake not for our own self-gratification. Christmas is an opportunity for us to exalt Jesus Christ. We ought to take advantage of it. We celebrate Christmas giving presents or gifts to friends and family.

Christmas is undoubtedly a good time for giving. After all, we are celebrating the greatest gift ever given God's Son, "For God so loved the world, that He gave His only begotten Son, that whoever believes in Him should not perish, but have eternal life" (John 3:16).

God's great Gift was first of all a gift of love to an unworthy world. He gave not because He had to, but because He loves us. And our giving should reflect His love. If we can keep that perspective, this can be one of the most blessed and enjoyable holiday. Christmas is about the birth of Jesus Christ. According to the New Testament, that baby is God in human flesh, voluntarily stepping down to live among humanity, as a servant, in order to take the burden of others' guilt and pay the price for it by sacrificing his life for them.

That's what Christmas is all about, and December 25th is a good day to set aside for a special celebration of it. "For today in the city of David there has been born for you a Savior, who is Christ the Lord" (Luke 2:11). The "peace on earth, goodwill toward people proclaimed by the angels is not merely about peace between nations and goodwill among people. It's about peace with God and grace from Him to us. That is the good news of great joy which will be for all the people.

In Christ,  
Pastor Peter Suhn

## Administrative Council Highlights – November 1, 2022

The Ad Council met by Zoom conference on Tuesday, November 1, 2022 with 11 people present. The following items were discussed:

- **Nurture, Outreach and Witness (NOW).** NOW will now meet the third Monday each month, next on November 21. The handbell choir will not practice on those nights. Amanda has been told that the hospital plans to make its annual contribution to support Manna Ministries, even though Manna is currently inactive. The hospital will be informed of the situation before they send any funds to us. It was reported that Laree Rogers, one of the original founders of Manna, passed away the previous week.
- **Trustees.** The white wood trim on the front windows of the sanctuary has been repainted. All of the security cameras are presently working properly. Tom Kaljian and a few others check the images online every day, and we feel that they have been quite effective in controlling our overnight camping problems. The Trustees met in October and made updates to the facilities use agreement form and the fee structure.
- **United Women in Faith.** The group will meet on November 10, for a presentation by Jennifer Barcellos about her work with the Jardin de Amor school in Guatemala.
- **Staff-Parish Relations Committee.** SPRC is preparing for our annual Charge Conference on December 3. The Charge Conference begins at 10:30 a.m., but SPRC will meet first at 10:00 a.m. with District Superintendent David Niu.
- **Financial Report.** The October General Fund income was \$12,260.53, including \$1,420.03 received as the church's 50% share of the rummage sale proceeds. Paid expenses for the month were \$11,287.67. The October 31 checkbook balance was \$3,658.59; all current bills were paid, but

we have still made no payments toward 2022 apportionments. Gregg hoped to get with Peter about a stewardship campaign and pledge drive in November, and said that pastoral appeals for special donations for Thanksgiving and Christmas have historically brought in a significant part of the funds needed for apportionments.

- **Boy Scouts.** Mackenzie Ferreira advised that our church's long sponsorship of the Scouts will end on December 31. They are exploring options for different arrangements that would let the pack continue to operate.
- **Potential Disaffiliation from UMC.** After reviewing information on the disaffiliation issue, and hearing about the procedures to be followed by any church wanting to pursue disaffiliation, the Ad Council voted 9-0 (with one abstention) to remain with the United Methodist Church, and cease further consideration of disaffiliation.
- **Parish Care.** Prayers were requested for Bud's brother, Melissa's mother, Amanda; Guadalupe Martinez; Gregg's mother, Jean Bright, and Roxanne Hew's mother.
- **Pastor's Report.** Peter reported that the Nominations Committee met on October 30 in preparation for the Charge Conference. He had a good visit with Jean Bright. The Friday evening Bible study is going well, and a new study group, from 9:00 to 9:30 a.m. on Sunday mornings, will begin the first Sunday in December.

Following the vote taken earlier, we will no longer discuss disaffiliation. He will report the vote to the District Superintendent. The UMC Conference leadership has pledged to support all churches, including those with a traditional view, and Peter's goals are still for us to serve God with one mind and one heart and to praise God and love each other.

Advent begins the Sunday after Thanksgiving this year. We will have a Christmas Eve service at 7:00 p.m.
